## COMMISSIONERS' REPORT.

---

TO THE CITIZENS OF CARROLL COUNTY, N. H.:

Agreeable to the requirements of law, we herewith respectfully submit our annual report, and it is a pleasure to be able to present so satisfactory a showing of the financial condition of the County, and the good management of the County Farm and Almshouse at Ossipee.

By authority conferred upon this Board by the County Convention at its meeting October 22, 1885, the County debt has been funded to the amount of \$40,000 at four per cent per annum and the note indebtedness has been reduced by this amount. The balance of the note debt, except \$1,400, has been renewed at four per cent, subject to call by the Commissioners.

The total liability of the County at this date is \$104,850.76, as follows:

|                            |          |

| Cash in hands of Treasurer,                                   | 15319 93   |

The interest bearing debt of the County less cash in Treasury is now \$88,804.76, and the reduction for the year ending May 1, 1886 is \$8,844.46.

There will come due during the present year \$7,900 of the six per cent bonds, and the money necessary for their payment is already in the hands of the Treasurer.

In relation to the management of the Farm and Almshouse at Ossipee, we have naught but words of commendation. Mr. and Mrs. Jacob Manson the Superintendent and Matron have discharged all the duties of their position with singular ability, and to the entire satisfaction of this Board. By good judgment, long service, and unceasing effort, they have become thoroughly conversant with the details of management of an institution of this kind, and while doing all in their power for the welfare and comfort of these unfortunate poor, have conducted the affairs of the institution, in doors and out, with skill and economy.

The tax payers of the County have reason to congratulate themselves that we have been able to secure the services of Mr. and Mrs. Manson for the ensuing year.
